What a fun year we have been having in Digital Photography. From learning the basics of the camera to taking many photos in good composition. We started the year with a scavenger hunt for certain things through & around the school. We have explored and took pictures at the lake, downtown, & during homecoming week. We have started to use the green screen and Adobe Photoshop to remove the green screen and input the seniors in a new background with their future plans. We have also taken pictures of some of the preschool and daycares for more fun pictures. They had to also remove the green screens and put into fall backgrounds. It's been great learning right along with these students. The pictures we are sharing with you are their word art assignments. They had to find letters in our everyday surroundings. It's amazing how many letters they found and I loved the creativity they used to complete this project. We only have a few weeks left and I'm excited to see how their photos have improved through out the semester.

District FFA LDE

15 students competed at MTI in Mitchell on Monday, November 5th, 2018 to earn a spot to travel to the State FFA LDEs. The Ag Communications discussed "Making FFA Great Again" in their presentation that earned them second place. Ag Issues presents both the pros and cons to "Driverless Tractors" and answer questions about the topic. They also earned second place at districts. Both teams will compete on December 2nd and 3rd in Pierre.

The Ag Communications team on the left consists of Derek Pravacek, Karson Bierle, Alli Baker, and Kennedy Bietz. Ag Issues picture on the right is made up of McKensie Sedlacek, Makayla Friederich, Zoe Steinberg, Grace Fryda, Audrey Saylor, Belle Hlavac, and Joslyn Walloch.

Fruit Sales

Thank you to all who supported the Scotland FFA by purchasing Mintex Fruit and Little Caesar's Pizza or Cookie Dough! The items are to arrive at school for students to deliver on Tuesday. Students have from the end of school until 7pm to pick up their items.

Kolberg-Pioneer Field Trip

The Welding Class took the opportunity to visit Kolberg-Pioneer on Tuesday, November 27th. Students were able to see the various careers the 475 employees there do as well as the areas where they cut out the materials, sort materials, weld pieces together, and the final assembly of the equipment.

Picture from L to R: Ashley Johnson, Nicole Flynn, Colin Kruse, Zane Hauck, Micah DeBoer, and Keenan Souhrada.
